The Year Book of

Marion High School

Volume VIII

PUBLISHED BY THE
SENIOR CLASS OF MARION HIGH SCHOOL
MARION, IOWA

Foreword

The 1925 Quill Staff, members of the first class to graduate from the new building, attribute whatever success this book may have to the willing assistance of the school administration and faculty, and to the loyal support of the entire student body.

Our purpose has been to record the life of our school, with the hope that the spirit and ideals of Marion High, our labors and achievements, our friendships and pleasures may be cherished in the minds of us all in the years after graduation.

Dedication
to
George M. Lee

In recognition and appreciation of his excellent services in developing winning teams, in raising the standards of sportsmanship, and in elevating the place of athletics in our school, we, the class of 1925, respectfully dedicate this volume of the Quill.

BOARD OF EDUCATION

The Board is composed of Mrs. E. J. Esgate, President; Mrs. Frank Straley, Vice-President; E. L. Sinclair; W. K. Lothian; K. W. Kendall; E. J. Miller, Secretary; H. F. Lockwood, Treasurer.

At the recent school election, Mr. Geo. W. Toms, who served the district most faithfully and efficiently for more than thirty years, was not a candidate for re-election.

The schools of Marion are constantly expanding, the enrollment rapidly growing, new departments are being added, more teachers are employed, and a larger and better school-program is always under way. For all these improvements, and for the planning and erection of the splendid new High School, we are all greatly indebted to the members of the Board of Education.

CLASS POEM

As we pause at the door of the future
To look back o'er our High School days,
We'll always remember the friendships
Of our classmates and all their good ways.

We trust that success will follow
Us all as we enter life's work,
And may no misfortune o'ertake us,
Or in our pathway e'er lurk.

Then, three cheers to all of our teachers
Who have helped us so much in the past;
May thoughts and best recollections
In our memories forever last.

All our class, sixty-six in number,
Are proud of the new Marion High
With its two study halls and gymnasium;
We regret we must say goodbye.

Our class has received high honors
For starting the football game,
And in basketball and debating
We have also won much fame.

We have more than our share of members
In the clubs of language and song,
But all of our high school activities
We will leave to the Juniors ere long.

"Don't Dodge Difficulties" are the words we have chosen
To use as our motto so rare,
With colors of coral and silver
The fragrant sweet pea we will wear.

Now, at last, as we bid farewell
To the school of our youthful days,
May our work in all later years
Show improvement along life's way.

—EDITH MCGOWAN.

CLASS HISTORY

September 5, 1921, was a colorful day in Old Marion High. It was a red-letter day in our young lives, as we Freshmen, trembling with fear, dashed here and there trying to cover up the customary greenness which seems to be prevalent among all Freshmen. We were eighty-eight in number, the largest class that ever entered Marion High School. Our ranks were divided, but not in spirit, and we were sent to room C under the supervision of Miss Mertzner, and to room D presided over by Miss Locke. Mr. Cutler was superintendent and Miss Zaelke, principal, that eventful year.

Miss Marshall introduced many of us to Latin and we were soon dreaming of "tubas" and "puellas" We found that x was not the only unknown quantity in Algebra, which was taught by Mrs. Robinson.

The class of '25 enlisted in all activities setting out to break all records. Our boys supported a petition to have football added to our school sports and were successful, for the following year saw the first team Marion has had in this sport in recent years. Our girls took part in basketball and one of them, Esther Biggs, made the team the first year. Many members of our class who were out for athletics were laying the foundation for the success of later teams. Two of our teachers, Miss Harrison and Mrs. Robinson left us, but we continued our progress under Miss La Grange and Miss Moles. The only social event of the year was a weiner roast held at Bowman Springs, after which we spent the evening at the home of Fern and Esther Biggs. Thus we made the first year of our class history and were much at home in the new environment by the time the year ended in May.

We came back in the fall of '22, eighty in number. Our work this year was supervised by a new Superintendent, Mr. Chehock. Miss Zaelke, who was with us the first year, was back as principal and led us through our second year of high school life. Our session room teachers were Miss McKinley and Miss Locke, whom we now called Mrs. Burdick. In the Sopohomore year the class elected its first officers: Norman Waffle, President; Irene Carpenter, who was succeeded by Elizabeth Sebern, when she left for Florida, Vice-President; Donald Chehock, Secretary and Treasurer. Three of our members, Charles Dow, Phil Crew, and Lancelot Rubek, played on Marion's first foot ball team.

This year the class had more parties, perhaps because our studies worried us less than they did when we were Freshmen. There was a weiner roast at Scott's Mill early in the fall. We enjoyed a Hallowe'en masquerade in the gymnasium and a bob party which ended at the home of Caroline Gillmore. The members of the class of '25 were working to higher places in every activity. A large number participated in the home declamatory contest and a member of our class, James Hakes, won the humorous division at home and in two succeeding state contests. The Boys' Hi-Y held a splendid banquet and the Sophomores were active in this organization. The whole school enjoyed a carnival for the benefit of the Quill Staff, and the side-show staged by the class was the most attractive and profitable of all. Remember the Marion basketball team, how we almost defeated Cedar Rapids and how the Cornell Tournament was won? Rubek of the class of '25 held a place on the team that year and Kellams and Davis were prominent reserves.

In our Junior year we elected Donovan Davis, President; Charles Dow, Vice-President; Irene Carpenter, Secretary and Treasurer. There was a good representation of the class men out for football and four of our men won letters as members of the team that won eight out of ten games that season. The Juniors were well represented on the boys' and girls' basketball teams. The girls who were out for basketball under the direction of Miss Jones, organized the Key Club. The class of '25 also added another activity to Marion High when debate was taken up again after several years of non-participation. All the members of the first team, that reached the third round in the state league and never had a unanimous decision rendered against them were Juniors: Chehock, Waffle and Crew.

M. H. S. QUILL

The Orchestra was composed largely of Juniors. Our class was well represented in athletics, music and forensics, which proved we were an all around class that could contribute leaders in any branch of school activities. A Hallowe'en party at the home of Irene Carpenter was the leading social event of the year. The boys' class basketball team won the championship of the inter-class league, and in the spring at the inter-class track meet, the class of '25 easily captured first place. Rubek was captain of the track team and proved the fastest man Marion High has had on the cinders for many seasons. The crowning event of the year was the Junior-Senior banquet, held at the Presbyterian Church on May Day. Cerise and tan, the senior colors, were artistically used for the decorations. There was a humorous stunt program planned by Miss Farrell and presented by the Juniors. This was followed by a splendid and unusual radio toast program with Charles Dow as announcer.

In the fall of '24 we returned to school in the new building destined to be the first class to graduate from it. Two of the most popular teachers who had been with us throughout our high school career did not return: our former principal, Miss Zaelke was succeeded by our faculty friend of last year, Mr. Dole. Miss Marshall was away on a leave of absence, traveling abroad. The class elected as their officers: Norman Waffle, President; James Hakes, Vice-President; Stanley Kellams, Secretary; and Irene Carpenter, Treasurer. Charles Dow was captain of the team that made another splendid showing for Marion on the gridiron. Our debating team was composed entirely of Seniors and reached the fourth round in the state debates. In the fall we enjoyed a weiner roast at Scott's Mill, with all the teachers present as our special guests, and a little later we enjoyed an unusual Hallowe'en party at Pearl Goodrow's.

With our usual quickness of decision we chose our class rings early in the season. At a later meeting we selected as our motto, "Don't Dodge Difficulties", as our flower, the Sweet Pea, with Coral and Silver as our colors. In basket ball the senior class contributed valuable material to the squad and also built up a strong team, while the senior girls won the inter-class championship. Our Quill Staff worked hard on the 1925 book, and added many features to it. Other activities in which the members of the senior class participated were the Quill Staff Carnival and Minstrel Show, declam, in which Josephine Maier won second place in the humorous division of the county contest, the Girls' Athletic Association, newly organized, The Belle of Barcelona, and the Athletic Banquet.

The year closed enthusiastically with a Junior-Senior banquet and a Senior party. The class play was another happy success at the close of our fourth year.

Now that we are about to leave Marion High, we challenge each remaining class to carry on the many activities in which we have so successfully taken part. May we all long remember the class and the year of 1925.

—MARJORIE FERNOW.

CLASS SONG

To the Tune of "*June Night*"

I

We'll miss the fun and all our chums
That we have ever won.
The time has come to say adieu;
We'll admit we're feeling blue.

II

Tonight we're leaving this school forever,
And friendships now we must sever.
For four short years we've had our say,
Here's all that we can say:

CHORUS

Oh! Farewell to M. H. S. and all of our friends,
And you teachers, please don't fret,
For all our fun was done in jest.
So! Farewell to M. H. S. and all of the rest,
For now we must leave you,
Our hearts will ere be true.

—OMA HENDRICKSON.

CLASS WILL

We, the members of the Class of 1925, of the Marion High School, located in the City of Marion, County of Linn, State of Iowa, being of supposedly sound and disposing mind and memory, do make and ordain this last will and testament, hereby revoking all former wills made by us. We hereby bequeath the following articles of real, personal, and mixed property, as follows, to-wit:

JAMES HAKES—My height to Archie Reinheimer, so that he may attain a higher level in the world.

CECILIA FRANKE—My plaid sweater to Izzy Miller, so that she may find out to whom it belongs, as she has been wondering all year.

BYRON BUSENBARK—My steady attendance to Kent Hunter.

PEARL GOODROW—My freckles to Red Brown in case he loses a few.

IRENE PETERS—My diamond ring to Adelyn Chambers.

CATHERINE LAFFERTY—My loud voice to Nellie Holsinger, so the latter may be heard more distinctly in the halls.

HOWARD JORDAN	}	Our track records to George Erwin.
LEO VOSS		

DAN AVERY—My high grades to Maurine Keenan, so she may complete the required course in five years.

ESTHER BIGGS—My important attitude to John Sidlinger to help him in declam.

DALE McMICKLE—My good looks to Arthur Petrusch, who would become Rudolph Valentino's competitor.

NORMAN WAFFLE—My permanent wave to Joe Greene.

OMA HENDRICKSON—My ability to play the piano to Harvey Widger, who will appear on the Lyceum Course next winter.

VERDIA GROMMON—My make-up to Bessie Pazour.

DANNIE PETERSON—My love of girls to Butch Smith, who is wearing himself thin with studying.

HELEN JORDAN	}	Our love for M. H. S. to Frank Naso, who sadly lacks it.
VESTA GAINES		

CAROLINE GILLMORE—My smile to the world in general.

DONALD CHEHOCK—My character of speech. I doubt if any one is good enough for it.

REGENA FRENCH—My natural wave to Helen Greene, so that her curling iron may have a rest.

FRANCES JACKSON—My quiet ways to Edna Touro, who has lost the respect of the teachers by her continual giggling in classes.

CHARLES LYMAN—My violin to Cecil Lewis.

RAYMOND DAVIN	}	Our dancing ability to Bob Flannigan and Thomas Finney, who are patronizing the course now given in Mentzer's auditorium.
ANNABELLE GATEWOOD		

OPAL McCANNON—My date book to Ruth Dahms.

LEO HAIJSMAN—My broadcasting outfit to Marian Ovington.

ANNA OZBURN—My patent leather hair to Ben Schneider, in case his shine wears off.

MILDRED FRAZEE—My pet slang expressions to Mary McDonnell, who needs a few more.

FRED KAHLER—My dignity to Harold Domer, so that the girls will pay him more respect.

ANNABELLE FARNSWORTH—My saddest regrets at leaving the old school to anyone who wants them.

LEOTA DIXON—My well-kept note book to Iva Mae Lowe.

LANCELOT RUBEK—My success in the orchestra to Gayle McCannon.

GLADYS FREDERICK—My ability to drive a car to Marjorie Meyer, so she may profit by my experience.

M. H. S. QUILL

DELMER NOAH—My "pull" in Physics class to Howard Ellson, who may finish his Latin this year.
MARGARET FERNOW—My love for taking pictures to Arthur McKean, who is planning to be a photographer.
NELLIEVE RORAH—My pamphlet, "Latest Rules of Gossip", to Pauline Oakley.
CHARLES DOW—My giddy ways to Donald Wallace.
VIRGINIA VAUGHN—My tremendous speed to Issy Miller.
IRENE—My Carpenter to anyone who can build an ark as well as I have.
PHIL CREW—My wasted hours in study hall to Jeanne Reimers.
CRYSTAL QUAAS—My dimples to Ruth Wheeler, so she will never lose hers.
CAROL REMINGTON—My membership in the triumvirate to Helen G., so it may be kept in the family.
MERLE BEBEE—My innocent expression to Clare Strickell.
GLADYS's Bright eyes to Clifford Davin.
CHARLES POLLARD—My friendly ways to Willmoir Patterson.
LOUISE BIGGER—My latest book on "How to Get and Tame a Man," to Dorothy Winter.
ZOLA BURNS—My shell rimmed dimmers and a cake of "Bon Ami" to Isabelle Jordan.
DONALD KNOX—The spelling of my last name to my future wife.
ALDEN ALBAUGH—My dashing ways with the girls to Ted Sebern, to prevent him from becoming a confirmed bachelor.
DAISY KOPPENHAVER—My place on the basket ball team to June Foster.
EMMA PETRUSCH—My boisterous ways to Vernell McMickle.
HOWARD WOODRUFF—A ride in my car to anyone who will ride with me.
EDITH PETERSON—My carefree attitude to Mr. Chehock.
STANLEY KELLAMS—My little knowledge of basket ball to John Schenken.
MARJORIE FERNOW—My cute little giggle to Bernita Sebern.
JOHN FARRELL—My shyness to Walter Grieshaber.
EDITH MCGOWAN—My massive weight to Donald Osborn.
MARIAN SILKER—My Wallace Reducing Records to Ernest Hardin.
ORVILLE GRAHAM—My heart-breaking methods with the girls to Marion Barnes.
JOSEPHINE MAIER—My stick of chewing gum to Elsie Hancorn, to be used only in Mr. Chehock's class.
REGILDA HAYES—My knowledge of the Bible to Lowell Millburn.
FERN BIGGS—My ambition to be a teacher to Leo Fordice.
BRYANT KENNEY—My "sweet 16 and never been kissed" to all others in the same boat.
BRUCE WILLIAMS—My movie theater to the Juniors, so they may amuse themselves at their class parties.
GEORGE MICHEL—My talkativeness to the noisy Freshmen.
VIRGINIA MUNSEN—I have nothing to leave as I want him myself.

We hereby appoint Mr. Chris Johnson executor of this, our last will and testament, and because of our great confidence in his careful and faithful fulfillment of duties entrusted to his care, do exonerate him from furnishing bonds for the complete and impartial discharge of his duties.

Executed at Marion High School, this first day of February, 1925, A. D.

A HIGH SCHOOL HISTORY OF THE
JUNIOR CLASS

By *Myron Wood* and *Marian Ovington*

Dedicated to

CLASS COUNSELORS:

Miss AUDREY BEALER and Mr. MILTON WEIFFENBACH

PREFACE

It has long been the custom for a class to begin its history with the Freshman year and to continue through the following three years with the foretelling of the future. This History has been restricted to the most important events, accomplishments, and honors that have been bestowed upon the members of the Junior Class.

CHAPTER I.—THE UNKNOWN

Initiation

On September 1, 1922, seventy-five very green boys and girls started out on a four years' exploring tour of the Marion High School. The boys met with some unpleasant experiences at the first having to undergo the customary initiation which took place in the form of unexpected baths in the town tank, paddlings, and long night explorations.

*Social
Activities*

Some of the more pleasant discoveries followed later in the season. On October 4, the ranks enjoyed a weiner roast about one mile north of Marion at the haunted house. Mrs. Ruth Protzman Rick and Mrs. Emma Burdick chaperoned. On October 19, the Freshmen "Women" were entertained by the Senior "Girls", in the gymnasium. Later the Freshmen girls were hostesses at a picnic given the Senior girls at Thomas Park.

Athletics

Athletic ability was discovered in several members of our party. Harvey Widger and Donald Smith made the football team and Philip McKim, John Schenken, Harvey Widger, and Myron Wood were members of the 1923 track team.

CHAPTER II.—EXPLORATIONS

After a period of three months' rest only fifty-six of the original seventy-five were ready to start out for new fields of explorations under the leadership of Dorothy Maxwell.

Expeditions

Two successful expeditions were planned for entertainment. A weiner roast at Scott's Mill on September 27, and a Hallowe'en Party which took place in the gymnasium. It was at this party that the explorers returned hungry when it was found that the pies had walked off on an expedition of their own.

*Dramatics
and
Operettas*

"Grandma Gregg" and "Henrietta's Sub-conscious Mind" were put on by some of our members assisted by some members of the Freshmen Class, which made possible the Quill of 1924. Most of the main cast for the Gypsy Rover was taken from our ranks.

Oratorical We were well represented in Declamatory work. Philip Stout won first place in the Humorous class and Berneta Standish, second. John Schenken was awarded second place in the Oratorical class and Anna Nutter second place in the Dramatic class.

Athletics Again we were well represented in Athletics. Harvey Widger, Myron Wood and Donald Smith won recognition in football. In basketball Joseph Greene, Walter Sauser, and John Schenken helped win many victories. We were represented on the track team by John Schenken, Myron Wood, Philip McKim and Harvey Widger.

CHAPTER III.—DEVELOPMENT

Satisfied now with their explorations sixty-one of the party decided to settle down and develop the resources they had found. Ernest Hardin was chosen Commander-in-chief, Donald Smith, Subordinate officer, and Darrell Marchant, Chief of Finance.

In the Declamatory Contest, Berneta Standish won first place in the Humorous class and tied for first place at Palo.

Dramatics The Juniors again were well represented on the football team by Donald Smith, Captain-elect for the coming year, and John Schenken, whose worthy playing we were proud of.

Athletics The basketball team was composed almost entirely of Junior classmen. They were Walter Sauser, Captain-elect, whose brilliant guarding featured many a game and John Schenken whose steady eye piled up the scores. Donald Smith and Joseph Greene deserve much credit for their ability as basket tossers.

In Track our class was again honored by having John Schenken elected captain.

Social Activities Again we made our annual pilgrimage to Scott's Mill late in October. We were chaperoned by Principal and Mrs. Dole and Mr. Weiffenbach. A lively Hallowe'en party was held in Straley's barn on October 31.

CHAPTER IV.—PROPHECY

In noting the activities and successes of the Junior Class in former years, it seems very probable that the future as Seniors will be in keeping with that of other years.

◇ ◇

Why do the Freshies resemble real estate?
Because they are a vacant lot.

◇ ◇

Joe Greene says: Some of the Marion girls are so bashful they won't even let a guy accompany them on the piano.

◇ ◇

Leota D.: "No man ever made a fool of me."
Anna O.: "Somebody did."

◇ ◇

Why some of us are not red-headed—Ivory never rusts.

The purpose of the Girl Reserves is to create friendship among the students of the high school, to raise the moral standards of the pupils and to aid the community in every way possible.

The organization has accomplished splendid work this year, both in the school and in the community. At Thanksgiving time baskets of food were distributed to the needy and at Christmas the Girl Reserves co-operated with the "Good Fellows" in helping the poor.

The Girl Reserves held their fourth annual Mother-Daughter banquet on March 6, at the Methodist Church. The following program in the form of a play was given:

The Spanish Club was organized in 1918 under the direction of Miss Florence Bradley. It has been continued since that time and during the last few years has been under the supervision of Miss Mentzer.

The purpose of the Club is to promote and foster interest in Spanish and add to the students' class room knowledge. This is accomplished by a further study of the history, customs, and every day life of the people, Spanish authors and their works, and places of interest in Spanish speaking countries.

Club meetings are held every fourth Friday in the school year during the regular class hour. All those who are taking second year Spanish are members of the Club. The programs include answering roll call with proverbs or current events in Spanish, reports on lives of Spanish authors, reviews of books, Spanish games of all kinds, even including cross word puzzles from our Spanish newspaper, El Eco.

The Normal Training Club was organized during the year 1922-1923 under the direction of Miss Zaelke and has been well sponsored and directed this year by Miss Hull.

The purpose of the organization is to create an interest in the Normal Training department and to prepare the students for their future work. A meeting is held the first of each month, which consists of a program and a social hour. The programs have been made most interesting by former club members who are now teaching and others who have given talks.

The Normal Training room is kept attractively decorated with seasonal posters which are made by the students. Several of the club parties have been held in their room this year and all of them have been inspirational meetings for the girls.

All of the Senior Normal Training Students have visited and taught in the city and rural schools, thus preparing themselves so that upon graduation they will be granted certificates to teach.

CARNIVAL

The Carnival, held November 21 in the old building for the benefit of the Quill, was one of the big events of the year with many side shows to attract the crowd.

Elsie Hanscom and Maxine Lutz rendered excellent service at a shoe-shining parlor. The fortune tellers, Daisy Koppenhaver and Irene Peters, favored visitors with exhibitions of palmistry. Harold Domer and Donald Drew in charge of the big swing were kept busy the entire evening. The members of the Normal Training Club displayed the latest styles from Paris. The Freshmen conducted a novel side show displaying several wonders of the modern world. Phil Crew and Delmer Noah operated the most popular side show of the evening, giving everyone a chance to throw balls at large black cats bearing the names of the High School teachers. The Girl Reserves sold hot dogs and the girls of the basketball squad, home-made candy. The Sophomores conducted a pop and ice cream stand while the Freshmen sold vast quantities of confetti and carnival novelties, which increased the spirit of the evening. The Juniors contributed popcorn and peanuts for the elephants, while the Seniors served the thirsty pleasure seekers with sweet cider.

The principal drawing card of the evening was the Minstrel presented by the members of the Boys' Glee Club under the direction of Miss Jaycox and Miss O'Brien, before the opening of the carnival attractions in the gymnasium.

BOYS' GLEE CLUB

The members of the Boys' Glee Club have shown an enthusiastic spirit and have accomplished splendid work this year under the direction of Miss Emma Jaycox. Early in the year this organization presented a most entertaining Minstrel which was the popular attraction of the Quill Staff Carnival and demonstrated the exceptional talent of the members.

The Club appeared on the program at the dedication of the new high school and later in the year most of the members took part in the operetta and contributed towards its success in the leading parts and choruses.

First Tenor—Darrell Gillmore, Kent Hunter, Carl Nelson, Archie Reinheimer, Herbert Kullander.

Second Tenor—Glenn Miller, Frank Naso, Joseph Greene, Donald Smith, Lawrence Goodyear, Paul Wheeler, John Sidlinger.

First Bass—Earl Biggs, John Farrell, Ben Schneider, Benjamin Sebern.

Second Bass—Dale McMickle, John Schenken, Theodore Sebern, George Erwin, Harvey Widger.

GIRLS' GLEE CLUB

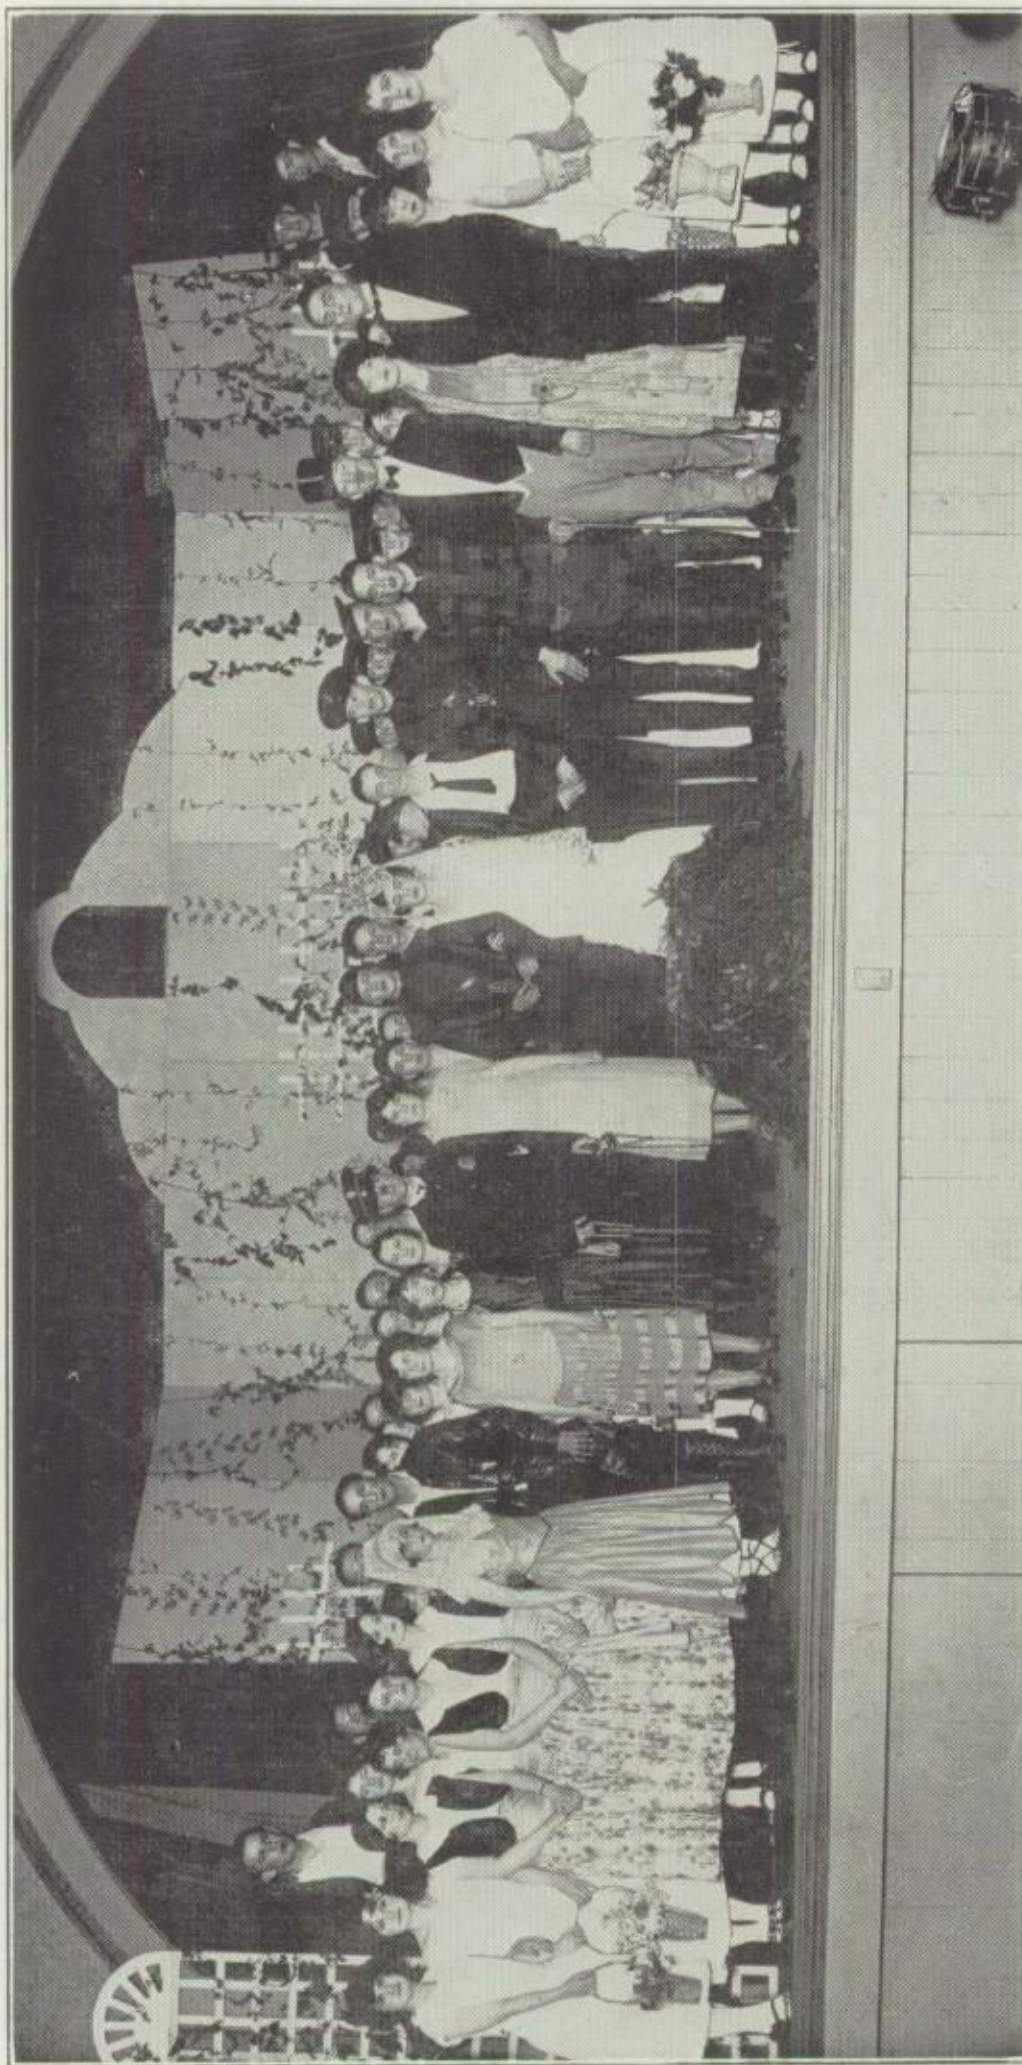

The Girls' Glee Club has had a very successful season under the supervision of Miss Jaycox. They deserve great credit for the admirable talent shown in their singing at the dedication and their splendid work in the operetta.

Sopranos: Caroline Gillmore, Edith Mc Gowan, June Foster, Dorothy Ingersoll, Elizabeth Kehler, Mabel Perrin, Cecilia Franke, Fern Biggs, Beulah Scott, Vesta Gaines, Pearl Goodrow, Vera Koppenhaver, Frances Straley, Berneta Standish, Virginia Vaughn.

THE BELLE OF BARCELONA

THE BELLE OF BARCELONA

The Belle of Barcelona, a musical comedy in three acts, was presented in the auditorium, March 25 and 26, by the members of the Boys' and Girls' Glee Clubs assisted by the High School Orchestra. The operetta was a splendid success and well received by the large crowds that it attracted. The singing and acting of the principals was highly complimented and they were well supported by choruses of unusual ability. Much credit for the success of the production belongs to Miss Jaycox, supervisor of music, and to Miss O'Brien and Miss Crowe, who assisted in the dramatic work. Oma Hendrickson was accompanist for all the musical numbers.

The scene of the story is laid in Barcelona, Spain, and the plot deals with the courtship of Hal Wright, a gallant young officer of the American Aviation Service and Margarita, the beautiful daughter of a Spanish nobleman. Lieutenant Wright wins the love of Margarita and her release from an engagement with a scheming nobleman. In this accomplishment he is assisted by his romantic Irish friend, who falls in love with Margarita's English governess, Miss Ayers.

JUNIOR-SENIOR BANQUET

The Junior-Senior banquet in honor of the class of '25 was held May 7 at the Mandarin Inn, Cedar Rapids. This was an ideal setting for the novel toast program which was carried out in the form of a festival in a Chinese Garden. The decorations and the Chinese motif used on the programs completed the Oriental atmosphere.

The home declamatory contest this year was one in which unusual interest was manifested and the winners were selected from a group of talented contestants. All three of the first place winners in this contest, John Sidlinger in the Oratorical, Edith Hutton in the Dramatic and Berneta Standish in the Humorous, represented Marion in the pre-district contest held at Palo. Berneta Standish won second honors and the work of all three was a great credit to themselves, their coaches, and our school.

John Sidlinger, Myno Tschoepe and Josephine Maier represented us in the sub-county contest at Viola. Josephine won first place in the Humorous division and our other entrants made a creditable showing though they did not return with first honors. In the final county contest Josephine, who was our only entrant, won second place and a silver medal.

Declamatory work is a valuable activity to the participants and to the school and deserves the place of prominence which it holds. Our five winning contestants represented Marion in a creditable manner and brought honor to our school and town. Miss Bealer, Miss Crowe, Miss O'Brien, Mrs. Rick, Miss Shirer and Miss Smiley, coached the work this year and deserve much credit for the splendid showing made.

DEBATE

The Marion High School again entered the State Debating League this year and as on previous years made an honorable record, winning one round farther than our team did last year. The question for debate this year was, Resolved: That the United States should enter the League of Nations.

About twelve came out for the preliminaries last fall. From that group four were selected to represent our school on the first team but because of other activities Stanley Kellams and Kent Hunter who were successful in the preliminaries gave place to others. The team which represented Marion this season consisted of Donald Chehock, Bryant Kenney, and Norman Waffle with Robert Brown as alternate.

In the first round of the series, January 8th, Marion drew a bye. In the second round we paired with Tama and the debate was held in Marion on January 22d. Our team won a unanimous victory from Tama's skilled debaters, Grace O'Connell, Marie Whalen and Bernard Sheridan. Marion presented the negative side of the argument.

The third round was again held in Marion, February 5th, and this time the Rowan team, which had previously won two victories, came to match their wits with our boys. This team was composed of Everett Holliday, Mabel Aldringer and Clara Azeltine. Marion again demonstrated its forensic power by winning this debate with another unanimous decision, though the visitors defended the affirmative of the question in a brilliant manner.

The fourth round was held at Osage, February 19th. This was the hardest debate of the season and our boys acquitted themselves with credit and honor, but lost to their opponents. The Marion team, however, suffered a handicap to some extent by being obliged to substitute for Norman Waffle, who was suddenly taken ill a few days before the debate. The alternate, Robert Brown, did splendidly under the circumstances and Marion gave strong opposition to Osage's brilliant team, which later won the district championship and was successful in later debates with the strongest teams of the state. The members of the Osage team were: Henry Wilson, Carlin Buckham, Herluf Markussen.

The boys give the chief credit for this year's success to the great interest and efforts of Principal H. L. Dole, their able and inspiring coach. He and Superintendent H. W. Chehock worked hard in securing material, shaping up the arguments, and arranging the necessary preliminaries for the debates. The boys did fine work, brought honors to Marion High and successfully supported an activity that functions greatly in later life. Three of the team, Donald Chehock, Bryant Kenney and Norman Waffle are seniors and will graduate this year.

The scene of the play is laid in the apartment of Professor Ebenezer Goodly in New York City. The family consists of Prof. Goodly, his wife, two daughters, Cissy, his ward, and Alvina, Mrs. Goodly's sister. They are expecting the arrival of the professor's brother, the Bishop of Ballarat. Richard lures the professor into attending a prize fight which is raided by the police. They escape but are followed by Jones, an adventurer who is taken for the bishop. An amusing complication occurs which is helped by the arrival of the bishop. When all is untangled Richard and Marjorie, the bishop and Alvina, and Jones and Cissy, are united and the play ends happily.

The Girls' Athletic Association of the Marion High School was organized in the fall of 1924. Its purpose is to cooperate with the Girls' Physical Training Director in promoting interest in gymnastics and athletic activities among the girls of the High School, as a means of promoting physical efficiency, athletic accomplishment, and good sportsmanship.

The Association is governed by a council which has decided upon a point system on which the giving of awards is based.

Under the supervision of Miss Hunt the Organization has had a very successful beginning, and next year social activities will be enjoyed along with the regular work of the Organization.

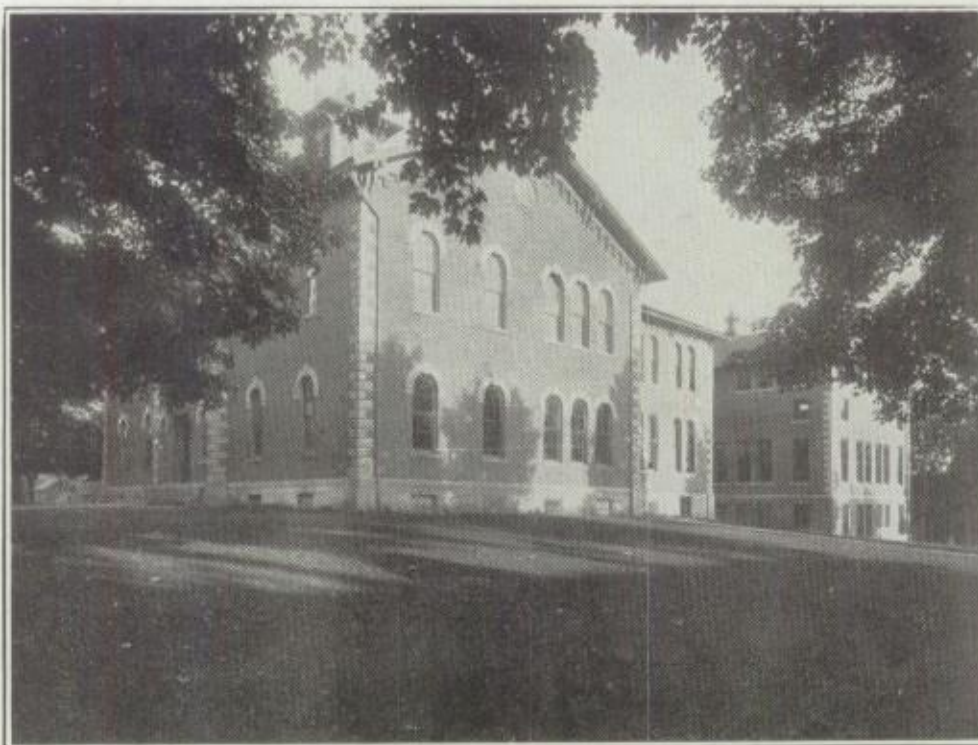

KEY CLUB

The Key Club which has a membership of about forty, is composed of all basketball girls. It sponsors girls' basketball and entertains all visiting teams.

The second annual Key Club Banquet was held at the Butterfly Tea Shop in Cedar Rapids on March 13. The school colors, red and gold, were carried out in unique decorations. After the Banquet the following Toast Program was enjoyed:

The Lincoln Building, occupied as the high school until last year was erected in 1869 and the first class graduated in 1872. Six years later the graduates formed the Marion Alumni Association under the encouragement of Mr. J. W. McClellan, the first superintendent, and Mrs. McClellan, the first principal. At that time these two people and seven others composed the entire teaching staff of the Marion Public Schools. One of these teachers, Mrs. Lydia W. Nott, is still living in Marion.

As the town grew it was necessary to increase the teaching staff from time to time and enlarge the building. The most important addition was made in 1912 when the gymnasium and additional class rooms were added. Even with this recent addition the old building became inadequate and our new Marion High School was erected. It was dedicated December 5, 1924, with a fitting program, including brief addresses by representatives of organizations prominent in our community.

The Alumni Association celebrated their fiftieth anniversary in 1922. Up to the present time there have been 1,404 graduates of Marion High School, and the class of '25 with its sixty members will be the largest class as well as the first class to graduate from the new building. The chief activity of the Association is its annual banquet served in honor of the graduating class.

MISS MARSHALL

Miss Elizabeth R. Marshall has been a member of the high school faculty for forty-one years and expects to be back next September after a year's leave of absence spent in travel. She is an Alumna of Marion High having graduated in the Class of 1875 and was one of the first members of the Alumni Association. Her class was the third to be graduated from the old Marion High which at that time consisted of only the front part of the present Lincoln Building.

After her college work Miss Marshall returned to teach in the high school and at one time held the position of principal. She has come in contact with a large number of pupils who remember her with a deep sense of gratitude for having instilled in them the love of the higher things of life. She has a wonderful personality, which radiates and influences all those with whom she is acquainted either as a teacher or as a fellow-worker.

She is keen and alert and with her knowledge enriched by several trips abroad is able to make her work very interesting. She has taught Latin, Caesar, Cicero, and Virgil for the most part, and courses in American Literature. Her leave of absence this year is being spent in a trip around the world. She sailed from San Francisco last summer for the Orient and visited Hawaii, the Philippines, Japan, China, India, Persia, Palestine, returning by way of Europe, stopping in Italy, Switzerland and France.

We shall all be glad to welcome her back next year as a teacher in our high school.

Athletics

FOOTBALL

COACH LEE

Football for the past three years has been under the direction of Coach Lee, who produced the first team that had represented the school in many years. In 1922, the first year, a green squad reported to Lee for practice. From this squad, a team was selected that won half the games on their schedule, a remarkable feat everything taken into consideration.

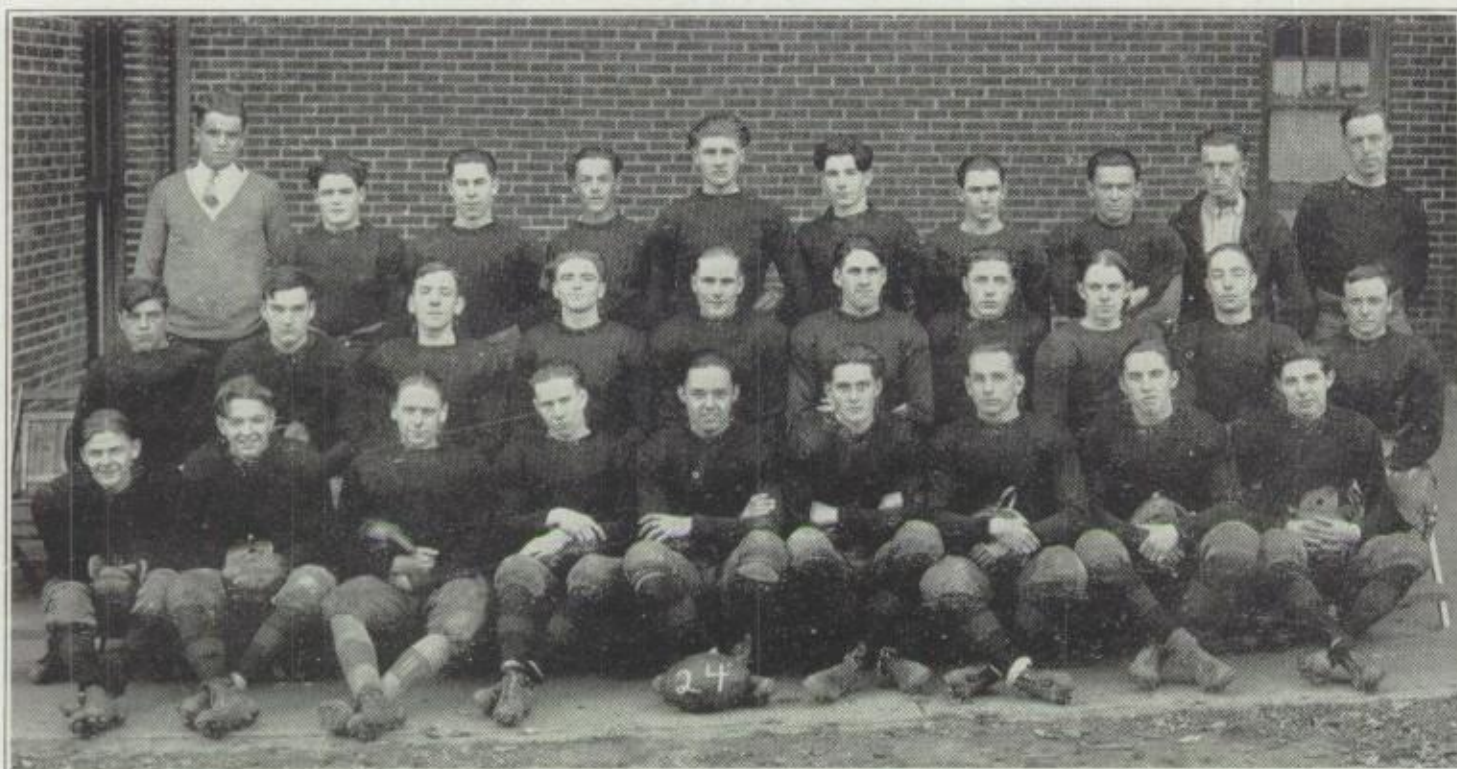

In the two following years with the boys becoming more adept and having more knowledge of the game, Mr. Lee turned out teams that won fifteen out of their twenty scheduled games.

Mr. Lee, in his quiet, unassuming, yet forceful and driving manner, aroused a fighting spirit on the grid-iron which produced winning teams and the respect of all.

With his "Let's fight gang," Captain Dow kept the team up and going in every game although handicapped throughout the season by a shoulder which was frequently injured. Dow represents a type of the athlete and scholar combined that any school might feel justly proud to have representing them in any phase of school activity.

CAPT. DOW

1924 FOOTBALL SQUAD

RESUMÉ OF THE SEASON

Prospects at the beginning of the 1924 season were considered as only fair, in view of the fact that only five veterans reported as a nucleus around which to build a winning team. Under Mr. Lee's coaching, however, a machine was developed which won seven out of ten games. In every game Marion had eleven men full of fight and ready to give the opponent a stiff tilt.

The season opened with the Stanwood game. Because of adverse weather conditions the gridiron was muddy so that both teams were forced to resort frequently to punting, but in the third quarter Marion opened up with a series of end runs by Rubek, which netted the only touchdown of the game.

Vinton's strong team took a 19-0 defeat in the next game. The outstanding feature of this game was the constant gains made by our plunging full back, Lawrence.

Our eleven suffered the first defeat of the season in the game with Iowa City. Several costly fumbles by Marion enabled the "Little Hawks" to pile up a 33-0 lead, although the game was better than the score might indicate.

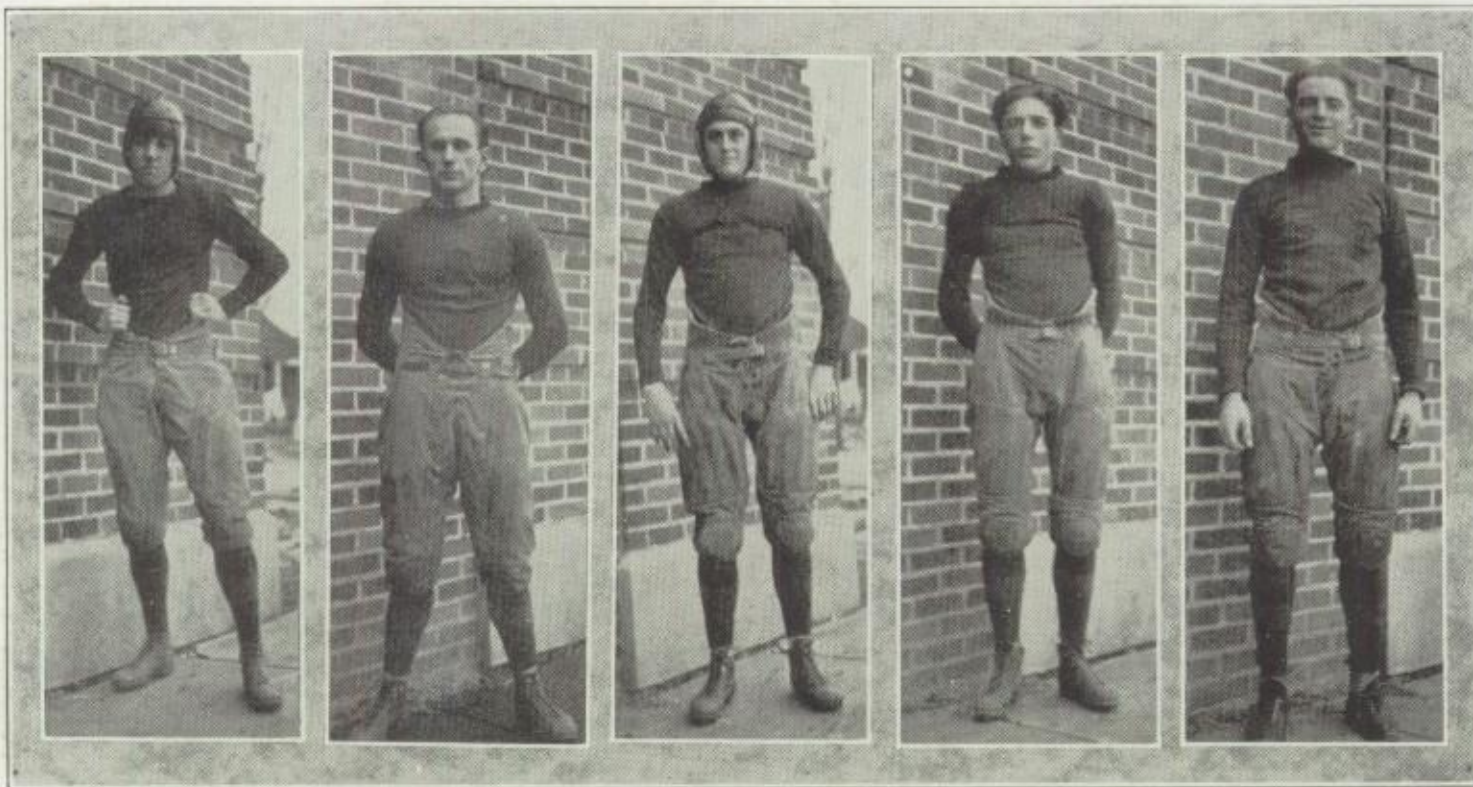

Fumbling, a fault prevalent earlier in the season, continued in the tilt with Olin, but late in the game after a series of successful end runs and line plunges Marion went over for a touchdown, winning 6-0.

The second defeat of the season was suffered at the hands of Manchester by a score of 13-6. Marion's defence was weak the first half and allowed Manchester to plunge through for two touchdowns. During the second half Marion completely outplayed their opponents, but were only able to score six points.

Our gridiron warriors overwhelmed Tipton and made constant gains by end runs and forward passes, so that at the close the score stood 34-0.

The fifth victory, 7-0, over Central City was won after repeated fumbles by Marion,

when a forward pass, Rubek to Crew, was completed late in the third quarter and the goal kick made good.

A neatly placed drop kick by Rubek in the last few minutes of play netted Marion a 3-0 verdict over West Branch. The game was hard fought, but neither team seemed to be playing in their best form.

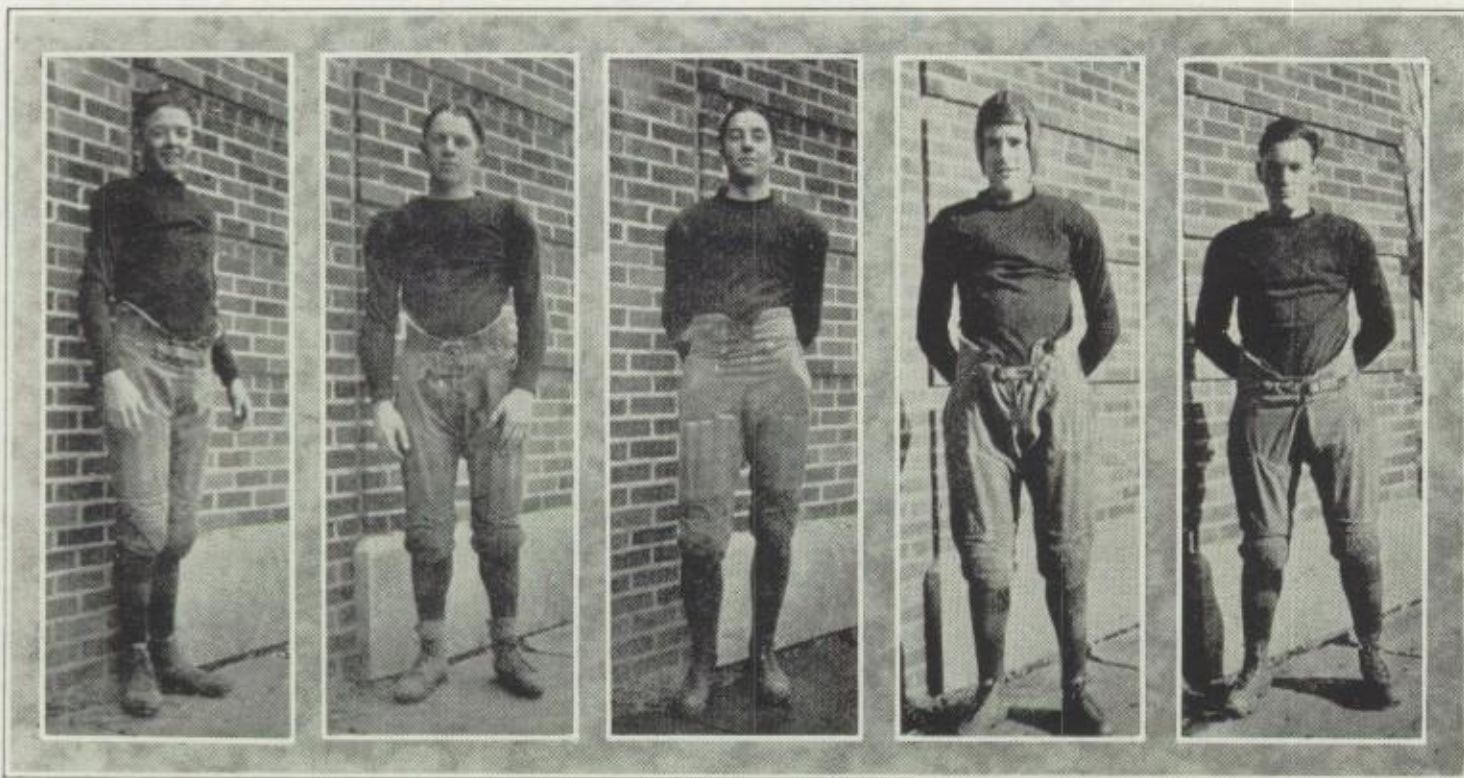

Marion outplayed our old rival Monticello throughout the game, as well as in every phase of the game, to carry off a very satisfying 28-6 victory.

A record breaking crowd turned out for the last game of the season which was played with Anamosa on our home field. Both teams had been well trained in football tactics by their coaches and displayed a superior type of football. Anamosa opened the game with a

bewildering assortment of trick plays, scoring two touchdowns in the first quarter. In the second half Marion came back stronger and scored on a sensational 75 yard run by Rubek. The decisive moment in the game occurred in the last few minutes of play when, with the ball on Anamosa's one-foot line, Marion made a costly fumble which enabled Anamosa to retain their 13-9 lead.

Six men will be lost this year. Chehock, Crew, Dow, Hardenbrook, Peterson, and Rubek will be missed on the gridiron next season. They were men who were always "there", ready and good for a difficult tackle, elusive pass, long run, hard charge, or whatever was demanded of them. They fought and it is to be hoped that there will be others to take their places and show the same spirit.

Some of us have strong minds, some strong bodies, and therefore, should take part in debating and athletics. But all of us can yell and should yell at times. We can't make a disturbance during school hours, so we can only give vent to our feelings on certain occasions. We can make the most noise when organized and led by enthusiastic leaders. Our four schoolmates, Doc, Cis, Woods, and Daisy, have helped the team and all of us "hold that line" for Marion High this year, by planning live pep meetings and adding enthusiasm to all the games.

BASKET BALL

With three regulars from last year's team, Coach Lee built up a combination this season which won seven out of fourteen games on their regular schedule. All the games were hard fought and marked by close scores, three of them being decided after extra periods.

In the opening game of the season our team, lacking in form and teamwork but promising to develop into a strong combination, won from Walker 38 to 26.

In the next game our cagers overwhelmed the Alumni in the annual tilt 30 to 15. The team which won the Cornell Tournament in 1923 apparently had lost some of its past form and fight.

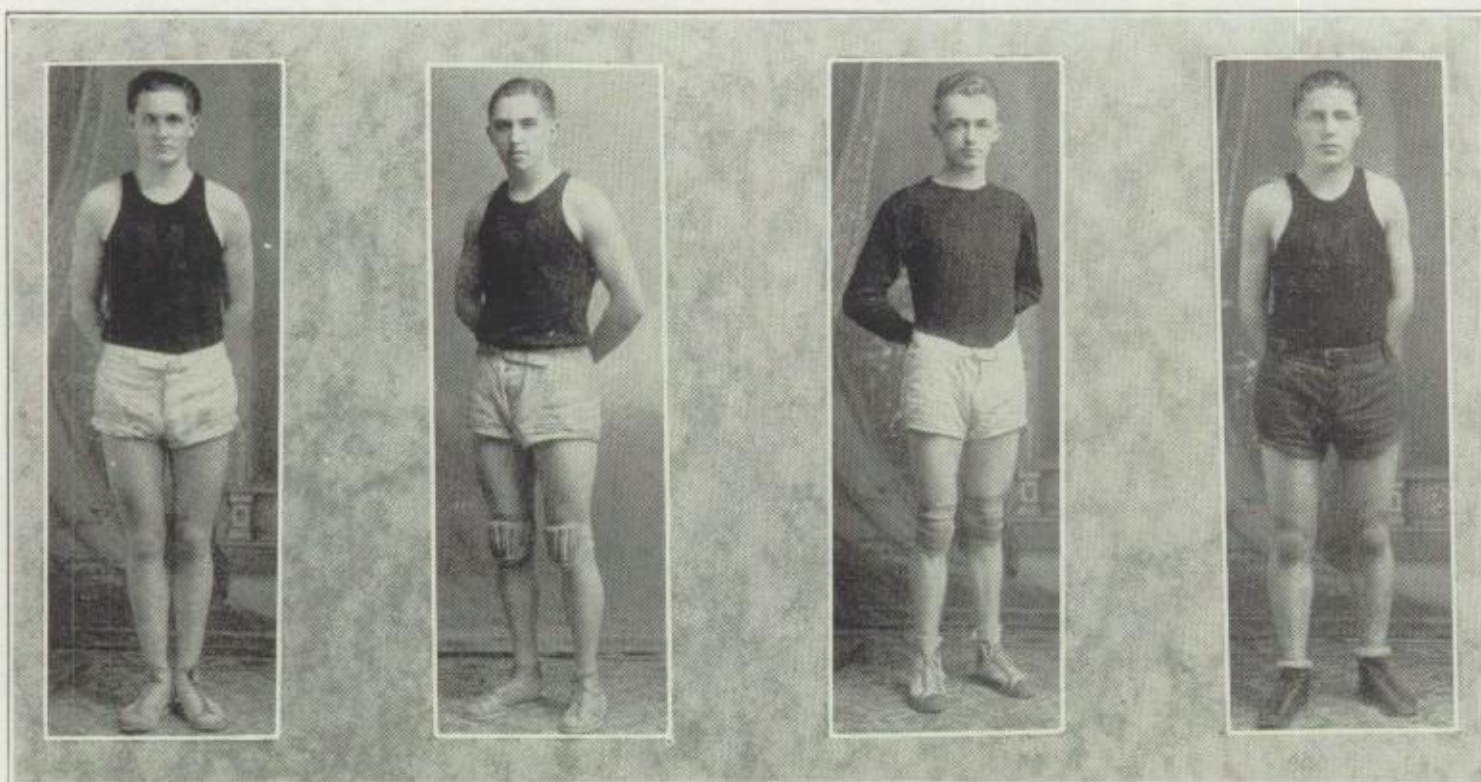

In a hotly contested game on our home floor, Iowa City, one of the fastest teams in this section, succeeded in winning 24 to 16. A feature of the game was the floor work and basket shooting of Captain Rubek. This was the last game for Lance, one of the best floor-men and most accurate shots developed in our High School.

Grant, a bitter rival in all athletics, and a school which has had its own way for a number of years in the games with Marion, suffered a 35 to 15 defeat.

Marion was defeated in the next two games, but only after a hard fight by Anamosa and Clinton, the latter, beyond a doubt, the fastest team on the schedule.

Monticello, expecting not only a victory but also to run up a big score, was the next team we encountered. When the smoke of battle cleared, Marion was victorious 16 to 12.

We have beaten Monticello in football for a number of years but this was the first time we have won from them in basket ball in recent years.

Springville, another old rival, came to Marion and managed to win after a hard fought battle 22 to 16.

The next game with Anamosa was one of the fastest in the season and it was only after two overtime periods had been played that it was decided 18 to 16 in favor of Anamosa.

One of the high points of the whole season was reached in the game at Springville. At this time our five cagemen broke the jinx that had been hanging over their heads in so far as we had not been able to beat Springville on their home floor. In an overtime period Springville was beaten 28 to 22.

Marion fell into a slump after their encounters on foreign floors and were overcome by the crack Coe Freshmen 22 to 11.

Monticello, on their home floor, barely pulled through the victor 14 to 12, after an overtime period had been played.

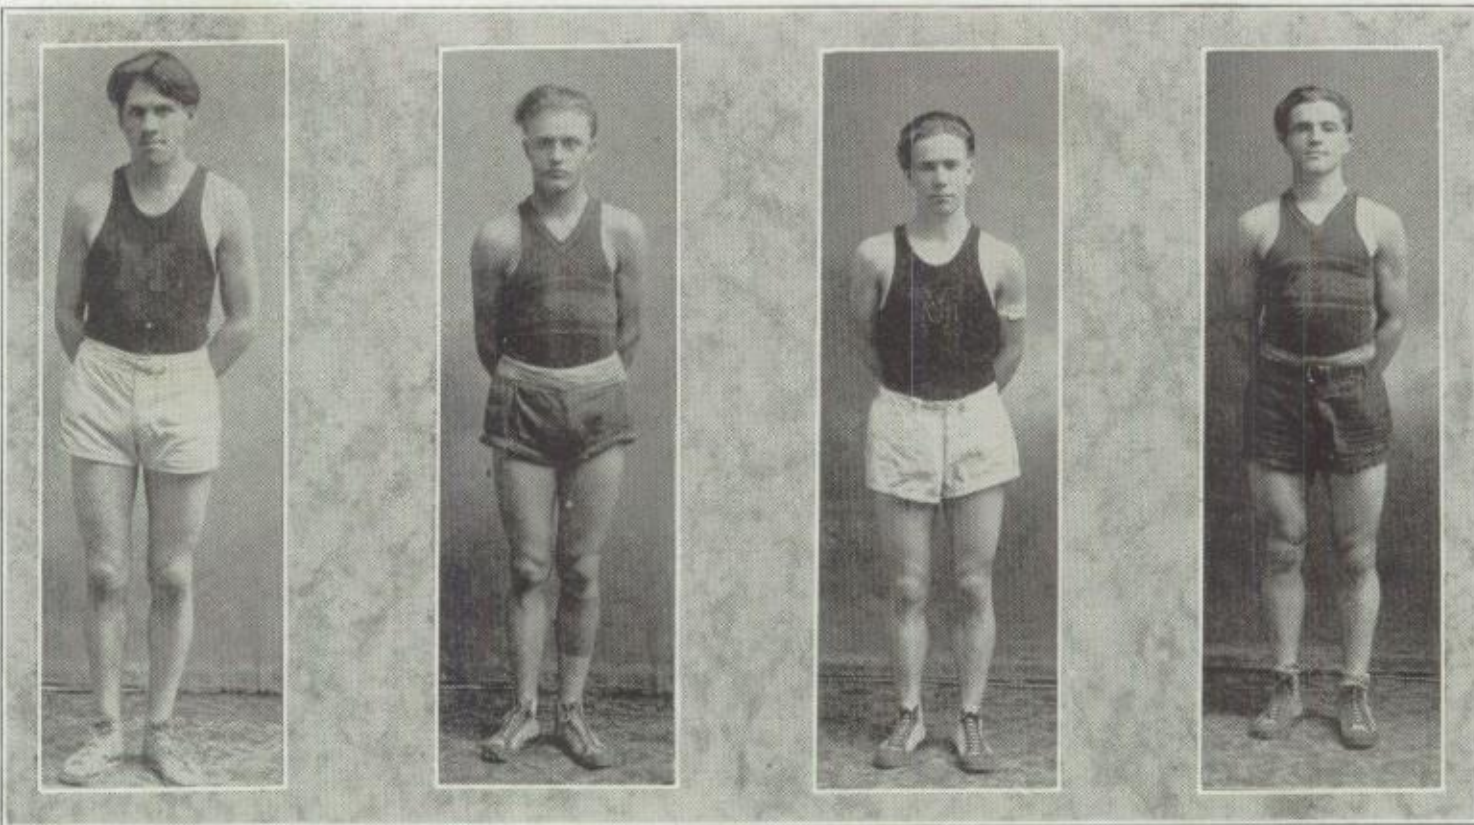

The Crimson taking a spurt won the last two games, snowing Manchester under 27 to 14. In this game the team seemed to work together better than at any other time during the season. Grant was defeated a second time 16 to 15.

THE TOURNAMENTS

The team now began to prepare for the tournaments, Marion being entered in three, the Lennox, the District, and the Cornell.

This year was the first time that a Marion basket ball team has been entered at Len-

nox. In the opening game Coggon was overwhelmed 35 to 10. Kellams' shooting and floor work was the feature of this game. Springville was encountered for the third time and defeated 26 to 19. This game placed Marion in the finals with Hopkinton. Hopkinton won 18 to 16 after a hard fight. Every man on our squad was awarded a silver medal for having been on the team which won second place.

The tourney for this district was held in Cedar Rapids under the auspices of Grant High, Marion being entered in Class A. Williamsburg forfeited to Marion in the opening game. In the next round Grant was defeated by the Crimson and Gold for the third time 28 to 27. This game placed Marion in the finals with Washington High of Cedar Rapids, which had previously defeated Mt. Vernon and Marengo. The much talked of Tigers were barely able to win 32 to 25. The stellar basket shooting of Kellams and the guarding of Sauser attracted the attention of all who witnessed this game.

Marion brought the season to a close with the Cornell Tournament in which we have entered teams for a number of years. Marion drew University High of Iowa City for the first game and defeated them 15 to 16 in the fourth overtime game of the season. This is the first time in several years that Marion has beaten an Iowa City team. In the second round we played Monticello. The game was typical of the earlier ones of the season, in that it was hard fought and very close, the outcome being in doubt until the whistle blew when the score stood 16 to 12 in favor of Monticello.

All except four of the present squad will be back next year. Kellams, Greene, Hardenbrook, and Peterson have played their last game for Marion High. Although these men will be missed, prospects are bright for a winning team next year with four regulars, Captain-elect Sauser, Schenken, Kent, and Smith, and such reserves as Rinard, Bigger, and Lawrence, to represent Marion next season.

BOYS' INTER-CLASS BASKET BALL

In order to stimulate school spirit through class rivalry and to give other students besides those on the regular squad an opportunity to take part and develop their ability in basket ball an inter-class league was organized in 1924. The management of the games was taken over by the M Club, although the league was introduced through the efforts of Coach Lee.

Last year the Class of '25 won the championship after a hard and exciting game. This year additional interest was shown in this branch of athletics, the Sophomores winning the championship, with the Seniors a close second.

The M Club is an active organization in our high school. It has successfully managed our class basket ball games and also sponsored a very splendid Athletic Banquet with an excellent program this year. The club's purpose is to promote interest in athletics and maintain a high standard for the school letter. All boys who have won a letter in any branch of school athletics are eligible for membership.

TRACK SQUAD

TRACK

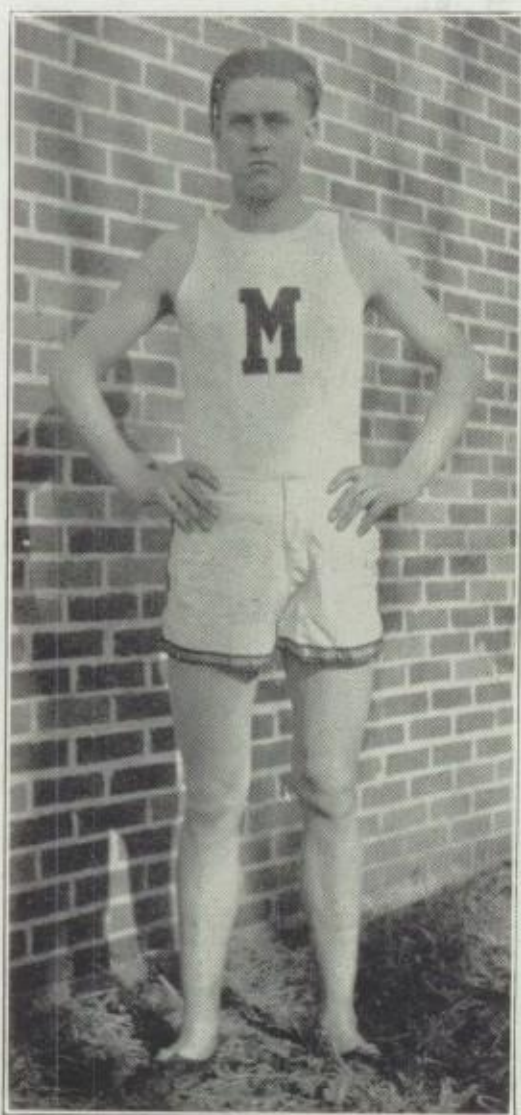

Track has been a very popular sport in Marion High in spite of the fact that we have been handicapped by not having a good field of our own for practice. By their very nature track events lack in team competition and depend entirely on the motives of the individual. However, in spite of an inadequate field and the nature of the sport about forty men reported at the beginning of the 1924 season and trained conscientiously. The fact that so many of our students have taken part in this form of athletics is therefore very commendable. During the season of 1924 the boys chose as captain, Lancelot Rubek, who has proven himself an all around track man.

In preparation for later meets and in order to keep up the interest a Home Meet was held April 19, 1924, at Coe College Field. This took the form of a class meet. The Juniors, Class of '25, captured first place, the Seniors second, the Freshmen third, and the Sophomores fourth.

Marion opened its track season by sending its team to the Anamosa meet in which twelve schools participated. Because of heavy rains the track was in very poor condition and prevented any one from making very fast time. Members of the team placed in several events, but not in enough to take the meet.

In the Grant Invitation Meet held at Coe Field, Marion hit its true stride for the

first time. The performance of such men as Rubek, Waffle, Taube, Schenken, Strickell, McKim, and several others was deserving of mention and resulted in our taking third place. The ranking of the first four schools was as follows: Grant, Anamosa, Marion, University High.

In the State Meet at Iowa City, our stellar track man, Captain Rubek, brought honor to our school by placing third in a fast 440 yard dash which set a new record time of 50.3 and showed him to be the fastest representative Marion has had on the cinder path in recent years.

Although several good men were lost by graduation and ineligibility, with the three letter men, Capt. Schenken, Hunter, and Waffle, from the team of '24, as well as several promising aspirants, the 1925 track team should make a creditable showing.

GIRLS' BASKET BALL

Due to the fact that we have had fewer games with other schools this year, we have spent more time in playing class games, thereby giving more girls a chance for competition. The games we have played, however, have enabled us to extend our hospitality to other teams.

On January 29, the Springville girls drove over here for their eighth game and our first. Handicapped not only by lack of experience, but also by the illness of two players, we lost the game by a score of 13 to 40. Our forwards were Margaret Fernow and Bernice Hempy, with Pauline Oakley substituting the last few minutes; Margaret scored the greatest number of points, making 11 of our 13. Cecilia Franke played jumping center with Irene Peters as her side center the first half and Helen Gatewood, the second half. The guards, Virginia Purcell and Daisy Koppenhaver (Captain), played the entire game.

A week later, February 6, we played a return game at Springville. The line-up was the same as the previous game with the exceptions of Edith Peterson as side center, and Vernell McMickle as forward. Again Margaret scored highest for Marion.

Our third and last game of the season was with Shellsburg on February 20, on our home floor, with Edith and Cecilia in center, Bernice and Vernell as forwards, Daisy and Virginia as guards, Irene substituting for Virginia the last few minutes. The first basket was made by Shellsburg in the first few minutes of the game. We soon came to our own and were in the lead throughout the entire game. This game was not an easy victory, because Shellsburg showed evidence of a season of games. The final score was 17 to 18 in our favor.

The team is composed of Margaret Fernow, Bernice Hempy and Vernell McMickle (Captain-elect), forwards; Cecilia Franke, Edith Peterson, and Irene Peters, centers; Daisy Koppenhaver (Captain), Virginia Purcell and Helen Gatewood, guards.

The girls are greatly indebted to Miss Hunt for her excellent coaching. Besides promoting interest in girls basket ball, she has given her undivided time to create more enthusiasm in all lines of girls' athletics.

GIRLS' INTER-CLASS BASKET BALL

This is the first year that a series of girls' interclass games has been played. The Seniors by winning all their games, were awarded the championship.

The Senior-Sophomore game was the closest and most interesting, in which the Seniors won by a margin of only one point. The final score was 7-6.

INSTRUCTIONS

Do not write in black spaces. Put only the correct letters in the white ones. Do not swear. The Quill Staff will not be responsible for sleep lost while you are working this puzzle. No reward is offered for the correct solution as it is already known to us. To save valuable time of students follow these suggestions: Horizontal is from left to right like a squirrel running along a telephone wire. Vertical is up and down like a squirrel climbing a telephone pole. Do not get these directions mixed. This puzzle is not original; all the words may be found in the dictionary in Miss Smiley's room.

This puzzle when accurately and neatly filled out will be a valuable record of information about the school which otherwise might be lost. A careful reading of this book will disclose practically all the information needed for the successful completion of this puzzle. Go to it.

IMAGINE

Miss Hull with her hair bobbed.
Norman Waffle minus his "Fuller Brush".
Thomas Finney making love.
Mr. Buchanan minus his remark, "Let's have this talking stopped."
Phil and Jeanne separated.
Miss Jaycox refusing chocolates.
Louise Bigger being bold.
Mr. Weiffenbach short and fat.
Mildred Mellish minus her boisterous laugh.
Isabel Miller not asking questions.
June Foster in a gingham dress.
Dorothy Ingersoll and Charles Lyman doing the tango.
School dances.
Kent Hunter minus a bright remark.
Mr. Lee laughing out loud.

Ames: "Why did you break your engagement with that school teacher?"

Bates: "If I failed to meet her every night she expected me to bring a written excuse signed by my mother."

Berneta S. (during fire in theatre): "Hurry up, Robert, let's get out."

R. H.: "Wait, till I see if these tickets will be good for tomorrow night."

FUZZY-WUZZY

(Apologies to Poe)

Dedicated to Harvae La Widgre

"What is it so small and cute
Nestling 'neath the young man's snoot?
That little fuzzy-wuzzy blur,
It might be hair,—it might be fur.
Hardly visible to the naked eye,—
It may grow larger by and by.
Ask him what it is,—he stands aghast!!
'Why that!—Why that's my new mustache'."

◇ ◇

D. N.: "Irene, what kind of a man do you expect to marry?"

I. C.: "A preacher, of course."

D. N.: "You don't expect me to be a preacher, do you?"

◇ ◇

Mr. Weiffenbach: "Say, Mr. Lee, I've figured out our football system. It's simple."

Mr. Lee: "Tell me what it is."

Mr. W.: "Why, the two halves make a hole and the full-back plunges through."

◇ ◇

Orville G.: "I guess I'll take trigonometry."

Howard W.: "What for?"

O. G.: "I'm not a very good shot and I'd like to know how to work the trigger."

◇ ◇

Oma H.: "This piano reminds me of Asia Minor."

Virginia V.: "It is quite ancient, for a fact."

O. H.: "Yes, and it's got a dead C in it."

◇ ◇

Lance R.: "Some of your wash was jumping around on the line last night."

Kent H.: "That was probably my athletic underwear."

◇ ◇

Leo H.: "Did you knock 'em cold in the Latin quiz?"

Eugene S.: "Yes, zero."

◇ ◇

Ben. S.: "Why did you give up pipe-organ lessons?"

Theodore S.: "I felt so blooming childish, playing with my feet."

M. H. S. QUILL

Jeanne: "But, dear, wouldn't love in a cottage be rather commonplace?"

Phil: "Well, we could call the shack a bungalow."

Miss O'Brien: "I've taken history more than once.

O. G.: "She must have flunked."

Quill Staff Adviser (to Staff): "You see the advertising manager pays for the Quill."

Some Poor Boob: "Then we won't have to pay for it, will we?"

Early to bed

Early to rise

And your girl goes out

With other guys.

Miss Hunt (in Physiology class sits on a pin): "Say, young man, why did you put that pin on my chair?"

Bright Pupil: "I was just showin' the class how nerve impulses are sent to the human brain."

Mrs. Rick (in American Lit. class, dictating the characteristics of Aldrich): "He had a delicate touch."

Creighton H.: "He would have made a good pickpocket."

S is for Spirit, loyal and true.

O is for Objects, we have in view.

P is for Pep, that makes things boom.

H is for Holidays, we hope to have soon.

O is for Onward, our battle cry.

M is for Merriment, and not a sigh.

O is for Ordinary, we are not this.

R is for Riches, we leave in the dust.

E is for Education, we'll have this or bust.

Lines of Seniors oft remind us,

They can strive to do their best,

And departing leave behind them—

Note-books that will help the rest.

M. H. S. QUILL

M. H. S. QUILL

The melancholy days have come
The saddest of the year,
When department grades are down
And exams are drawing near.

Mrs. Rick: "Don't you like Lasswell?"

Irene C.: "I don't like his pictures."

Lumond D.: "What do you think of the Community Drive?"

June F.: "No, let's go out in the country where it's dark."

Erma R.: "Isn't that a wonderful part Walter Sauser has in his hair?"

Jeanne R.: "That's not a part, that's just where the marble cracked."

It is better to be broke than never to have loved at all.

Virginia: "See Dan?"

Joe: "No, a coupe."

Dale M.: "Where are you going with that gun?"

Delmer: "I'm looking for the little bird that tells my girl everything."

Miss Hunt (in Biology): "Orville, did you find anything about heredity?"

O. G. "No, but I looked awful hard."

Kent H.: "You look awful hard yet."

Miss Hull (in Rural Education class): "John Schenken, will you quit talking?"

J. S.: "If I can outrun you, I will give you five bucks."

Miss Hull: "John, never mind."

John S.: "All right, I won't."

Mr. Weiffenbach: "Miss Roshar, what does the 'Infant Industry Argument for Protection' mean?"

E. R.: "It means that infants under 21 years of age shall be protected in the United States."

QUEER INCIDENTS

Wayne Smith is very fond of Cherries.
That a Maxwell drives a Ford.
Berneta Standish is trying to Hyde.
Ernest Hardin gets Bright.
Norman Waffle likes Franke people.
Margaret Fernow likes crackers (Graham).
Our principal is Doleful.
Merle has a Bebee gun.
Dave has an Ingersoll watch.
Brown is Red.
Vesta Gaines knowledge.
Virginia is not in the South.
That Myron Wood.
That Zola Burns.

Dannie P. (in History): "Bolivar carried the flag of Independence around South America and got Chile."

Mr. Dole: "How do we keep wheat from rusting?"

Gladys B.: "Put some oil on it."

Mr. Buchanan: "If you were going 15 miles per hour and accelerated your car 15 more, how fast would you be going?"

Alden A.: "Fast enough to be pinched."

A salesman was trying to sell Mr. Chehock a new car. They had been driving for three hours, the salesman talking all the while and he was getting tired. Finally he decided to stop, "Now," said he, "I am going to throw in the clutch."

"Aha," said Mr. Chehock, "I knew if I held out long enough you'd throw in something extra."

"Well, well," said the absent-minded professor, as he stood in the bathtub, "now what did I get in here for?"

Miss Jaycox: "Phil, what makes you keep time to music with your foot?"

Phil C.: "I guess there's music in my soul."

Freshman (in barber shop): "How long will I have to wait for a shave?"

Barber: "Years, sonny, years."

Louie L.: "I just bumped my crazy bone."

George E.: "Well, comb your hair right and the bump won't show."

THE DEGREES OF LEARNING

Freshman: "I don't know."

Sophomore: "I am not prepared."

Junior: "I do not remember."

Senior: "I don't believe I can add anything to what has been said."

Brilliant students are called sharks because their methods are fishy.

EVEN SEAUX

How queer is a girl with her beaux!
What she'll do next no one ever kneaux.
Sometimes she will kiss them,
Sometimes she will hiss them,
Sometimes she just turns up her neaux.

Esther B.: "How can you tell the imitation pearls from the real ones?"

Caroline G.: "Oh, my dear, you don't tell; you just keep it to yourself."

Mr. Chehock: "Young man, do you know that I started life as bare-foot boy?"

Student: "Well, I wasn't born with shoes on, either."

"One thing brings up another," said Russell M., as he drank the baking soda.

"Get thee, behind us Satan!"
We cry with indignation;
"Get thee behind! Thou 'rt much too slow
For the modern generation."

A LONG SHORT STORY

A tall western girl, named Short, long loved a certain big Mr. Little, while Little, little thinking of Short, loved a lass named Long. To make a long story short, Little proposed to Long, and Short longed to be even with Little's short-comings. So Short, meeting Long, threatened to marry Little before long, which caused Little in a short time, to marry Long!

Query: Did tall Short love Little less because Little loved Long?

◇ ◇

Miss Bealer: "When did Caesar defeat the greatest number?"

Maxine L.: "I think on examination day."

◇ ◇

Mr. Buchanan: "Does the class have all the problems?"

Donald Chehock: "I don't believe I have."

◇ ◇

Miss Hull: "Leo, give the feminine of monk."

Leo Fordice: "Monkey."

◇ ◇

Chas. Dow makes a motion to have a carnival to raise money for the Quill.

Alden A.: "I second it."

Orville G.: "I bisect it."

◇ ◇

Mrs. Rick: "Mr. Editor-in-Chief, do you want to carry this motion through?"

Editor-in-Chief: "Through what?"

◇ ◇

Miss O'Brien (in U. S. History): "You'll find the Constitution of the United States in your appendix."

◇ ◇

Stranger: I came all the way from Missouri to see your new High School.

Freshman: "Somebody's fooling you, it aint mine."

◇ ◇

"I'm giving you the cold dope," said the nurse pouring out the cough medicine

◇ ◇

D. M.: "I'll bet Chaucer dictated to a stenographer."

Joe B.: "How do you know?"

D. M.: "Just look at the spelling."

THE LOVE AFFAIR OF A GRAMMARIAN

You see a pretty girl walking down the street. She is singular, you, nominative. You walk across to her, you change to plural and it becomes dative. You walk home with her. Her mother becomes accusative and you become imperative. You kiss her and she becomes masculine. Things are tense, her father becomes present and you become a past principle.

June F. (in bookstore): "What is H. G. Wells' latest book?"

Clerk: "It's the 'African Sweetheart'."

June (after a cold pause): "And when was 'The African' published?"

Bruce W.: "That girl is sophisticated."

Norman W.: "What happened, did she start her car in the garage or leave the gas on in her room?"

Grocer: "Now, would you care for anything else? We have some nice string beans today."

Newly Wed: "I don't know. How much are they a string?"

INIMICI CAESARIS

Caesar exam was easy
So the Sophomores say
They started in the morning
And wrote the whole darn day.

This terrible execution
Was carried on in Bealer's room.
Away down in the basement
Where many met their doom.

The room was overflowing
With Ohs! and Ahs! and Gees!
Oh! Let us open our Caesar books,
Please, Miss Bealer, Please!

How their brains did ponder
Upon question number three,
"Name the enemies of Caesar",
My answer would be *me*.

Young Physics Student (in hotel): "Do you have your rooms heated Fahrenheit or Centigrade?"

Mr. Buchanan: "What are you chewing, Regena?"

Regena F.: "My tongue."

Mr. B.: "What? I don't care what you are chewing. Come up an put it in the waste basket."

Customer: "Have you any fine tooth combs?"

Clerk: "No, but we have some fine tooth brushes."

Side by side they stood in a beautiful array. What a spectacle it was! Brilliant as a mirror in the sun, straight and strong, they were an imposing spectacle. Glistening red tops—they were like an undefeated battalion that could tear and crush when set in motion.

Then imagine my surprise when the old woman carefully took the whole set out of her mouth and soaked them in a glass of cold water.

Do you like to watch the stars?

You bet. Let's take in the Garden, tonight.

If there's anything that worries your sweetheart
 It's something she ought not to know.
 But you bet she'll find it out anyhow
 If she gets the least kind of a show.
 Now we'll wager ten cents to a farthing
 This poem she's already read,
 We knew she'd get at it somehow
 If she had to stand on her head.

START YOUR SAVINGS ACCOUNT TODAY

Your Future Prosperity May Depend Upon It

The habit of regular saving is easily acquired, just a little determination will start a fund and you will be surprised how consistent saving will make that fund grow.

Your bank book is already, just your name and the amount of the deposit to be filled in. It matters not what amount you choose for your first deposit, the main thing is to start it and commence to save today.
